DODECAHEDRON (3-D, 12 sided, geometric shape) Reading Project

DIRECTIONS:

Read a Newbery Award or Newbery Honor book that is on your reading level and create a report that will be made into a dodecahedron. The project is worth a possible 100 points.

- Write on and decorate all 12 pieces as described below:
 - ❖ **1 side** = print the title (in an interesting and colorful font), author, and YOUR name and then add a colored decoration. (5 pts.) _____
 - ❖ **2 sides** = write 3 correctly spelled vocabulary words with definitions and draw a picture for that word on each side (6 words and 6 pictures in all) (10 pts.) _____
 - ❖ **3 sides** = draw one character on each side with an explanation of who they are and a description of their personality. (What are they like?) (30 pts.) _____
 - ❖ **3 sides** = draw a picture on each side of 3 important events in the story with captions. (What's the picture about?) (30 pts.) _____
 - ❖ **3 sides** = your choice of pictures, events, characters, or vocabulary words related to the story (15 pts.) _____
 - Cut out the 12 circles, fold the 5 segments on the dashed lines 90 degrees so they face toward you from the side you wrote or drew on for each of the twelve pieces.
 - Accurately staple the 12 pieces together at the flaps to complete the dodecahedron.
 - ❖ Overall project neatness and appearance (10 pts.) _____
- Total score for project = (100 pts.) _____
